The Canadian Institute of Financial Planners ("CIFPs") is a not-for-profit association of Canadian CFP® Professionals.

Our mission is to collectively represent CIFPs members on matters of common interest before governmental and regulatory bodies and to act as an advocate on behalf of our members and the investing public.

The CIFPs 23rd Annual National Conference will be held from Sunday, June 15th to Wednesday, June 18th, 2025 at the Sheraton Vancouver Wall Centre in Vancouver, British Columbia. If you believe in corporate responsibility to the community that you serve, then the CIFPs 23rd Annual National Conference is the place to be. We are committed to delivering an information-packed, educational and dynamic program with an exceptional line-up of speakers. The "big picture" focus of the plenary sessions and the comprehensive topics covered in the concurrent sessions will make this the conference for financial planning professionals and insurance advisors to attend.

What better way to put your company's strength, commitment, and corporate identity in the spotlight than by officially sponsoring this national industry event. We have assembled a terrific collection of sponsorship opportunities, including the opening reception, meals, refreshment breaks, conference necessities and giveaways. For questions on sponsorships or to customize your participation, contact Justin Warren at (647) 723-6453 or via email at justin.warren@cifps.ca

Sponsorship provides a unique platform to network with colleagues in the industry and meet new prospects while enhancing your corporate identity and goodwill to a captive audience of financial planning professionals.
